The image displays two views of a metal door handle. The left view is a blue-tinted front view showing a vertical, elongated handle with a large circular hole in the center and a smaller circular hole below it. The handle has a textured, metallic finish. The right view is a silver-toned back view of the same handle, showing a large circular hole in the center and a smaller, vertically oriented slot below it. The back view has a smooth, polished metallic finish.
